

# EHS Specialist Quick Facts

## WHY AMAZON?

Here, we don't wait for the next big idea to present itself. We envision the shape of impossible things and then we boldly make them reality. So far, this mindset has helped us achieve some incredible things.

So, if you're ready to pioneer, we're here to help you get there. Let's build new systems, challenge the status quo, and design the world we want to live in. We believe the work you do here will be the best work of your life.
